## About Futuris

We are a boutique sustainability consulting company with an international outreach, offering expert, close and individualised support to our clients. Our priority is the well-being of those who work at Futuris and our environment.

Our consultants are in Costa Rica and Paraguay, which allows us to know the particularities of the region. In addition, we have worked in most countries in Latin America and the Caribbean.

## Our services

- 1. Environmental Impact Assessment and permits:** environmental permit, environmental management plan, emergency plan, occupational health and safety plan, waste management plan, chemical registration.
- 2. Due diligence:** Phase I Environmental Site Assessment (ESA), Phase I ESA with key health & safety and compliance review.
- 3. External support:** Provision of an environmental representative, support with implementation of environmental and health & safety management plans.
