About Futuris

We are a boutique sustainability consulting company with an international outreach, offering expert, close and individualised support to our clients. Our priority is the well-being of those who work at Futuris and our environment.

Our consultants are in Costa Rica and Paraguay, which allows us to know the particularities of the region. In addition, we have worked in most countries in Latin America and the Caribbean.

Our services

- 1. Occupational health and safety:** risk assessment, ergonomic risk, occupational hygiene monitoring, emergency planning and preparation, etc.
- 2. Management systems:** implementation of environmental, social, health and safety management systems, following ISO 14001, ISO 45001, etc.
- 3. External support:** Provision of an environmental representative, support with implementation of environmental and health & safety management plans.
- 4. Contaminated land and hydrogeology:** bioremediation, contaminated land site assessments and hydrogeological studies.
